Another Successful Adoption

The goal of our orphan ministry is
to have the children adopted into
Christian families who will love
them. The baby in the picture is
one who now has a new family,
praise the Lord! This adoption
process was successful and he is
enjoying life with his parents.

Thanks for your prayers and
financial support that made this
adoption possible. There are still
another 400,000 orphans in
Guatemala who need a family. Your
donations are making a
difference in the lives of these little,
often forgotten children.

Rescued from Mother

Samuel (name changed) is one of our
orphans in Guatemala. He was born in a
hospital, and when he was taken back to his
mom, so she could meet him, she tried to
strangle him. Right away the doctors and
nurses helped and saved his life. Later, they
called the police. There was a court hearing,
and his mom indicated that she wanted to
kill him, because she did not want him. She
then signed the adoptability papers (Identity concealed).
