**These Orphans Need Your Assistance**

If you are looking for a great way to support missions and help Guatemala orphans, look no further than Mimi’s House, founded by Catalyst Resources International (CRI). Guatemala had about 100 adoptions last year with 6% of them coming from Mimi’s House. Not bad for a small orphanage!

Currently, there are 9 children at Mimi’s House, ranging in age from 5 months to 3 years old. The boys outnumber the girls right now - 7 to 2! After visiting Mimi’s House in September and again in February, it is clear to see that these children love having visitors. The older ones wanted to show me their toys, while the infants were happy just being held.

Mimi’s House hopes to return the children to their families (if it is safe to do so), place them with a foster family, or have them adopted. Their goal is to provide a loving, Christian atmosphere for the children while they wait for a permanent home.

Mimi’s House provides the children with formula, diapers, food, clothing, medical, dental, and vision care, as well as caregivers who supervise the children 24 hours a day. It costs \$1,000 a month, per child, for CRI to keep Mimi’s House running. If you would like to help support this ministry, here are a couple of ways to donate. To donate directly to CRI: <https://www.catalystresources.net> - Click on Sponsor a Child or to donate through Partners in Missions: <https://www.partners-in-missions.org> - Just select Orphanage or Kids in Krisis, and we will make sure Mimi’s House gets your full donation! - Thanks in Advance, Karla Jordan

### Youth Conferences in Guatemala

One hundred and ninety youth and delegates from seven Latin American countries gathered in Guatemala for energy-filled conferences and worship services. We were blessed to host the event with the Church of God and CRI in Guatemala. Activities started each morning at 8:00 and continued to 9:00 pm. Only God knows the impact this had on their lives as they follow Jesus.

### New Church Plant Santa Maria, Guatemala

Under the leadership of Pastor Edgar Ramos, the church started with two nights of services in February. Attendance on the first night with 70 and 140 on the second. With the help of our donors, we were able to buy 50 chairs for the new congregation.
